

Hello,

I am very proud to have been selected to represent the MTAW as President for the 2026-2027 term. I would like to thank Julie Reis, our outgoing President, for her service. The MTAW as an association can only continue with the efforts of our membership, who continue to step up to help make our Association great.

I started my tenure in Municipal Government in 2010 when I was appointed as a Trustee to the Village Board of the Village of Belgium. I had worked in Belgium as a retail manager/bookkeeper since high school and had lived here for 7 years. I served as Trustee until 2016 when I was appointed as Village President.

In 2018 when the position of Village Treasurer became available, I made the difficult decision to resign as Village President to pursue the employment opportunity. I believe the 30+ years of bookkeeping/accounting work in the private sector as well as my time on the Village Board has made me uniquely qualified to serve as Village Treasurer.

I love being involved in Local Government and serving my community.

In my personal life, I am married and have three adult children. My husband and I love camping, touring Wisconsin wineries, breweries and distilleries, traveling, and playing trivia.

During my year as president, I hope to work closely with UWGB as they take over the role of MTAW Executive Secretary. I also hope to be able to assist the Multimedia Committee continue to develop our wonderful new website, and the Conference Committees as they plan our upcoming conferences.

If you are interested in getting more involved in the MTAW or have any questions or suggestions, please do not hesitate to reach out to me.

Sincerely,

Vickie Boehnlein
